Dear Parents/Carers,

As you are aware, we initially planned to move the Infant Department into the completed building on the 6th and 7th June. We had placed two of our INSET days on these days to accommodate this relocation.

I was informed in meetings this week that the building progress has fallen approximately four weeks behind schedule. There have been a multitude of unexpected complexities in Phase 2 of the building project.

As a result of this, please can I confirm that the school will be open as normal to **all pupils** on the 6th and 7th June. Once the building schedule has been recalculated, I will be given a revised completion date. This will determine where I can place the two INSET days to close the school for our pupils. Rest assured, I will get these dates to you as soon as possible.

Thank you for your support.

Yours sincerely,

MR R NICHOLSON
